Re: Remove or Repair of the Structure at 901 FULLER AVENUE

Dear Interested Parties:

This is to confirm that at the Legislative Hearing on February 14, 2023, at which neither owner nor heirs of the property appeared, Legislative Hearing Officer Marcia Moermond continued the matter to Legislative Hearing on **Tuesday, March 14, 2023 at 9:00 am in room 330 City Hall/Courthouse for further discussion.**

For your reference, the following items must (eventually) be completed before receiving a grant of time from the City Council to rehabilitate the property:

1. post a \$5,000 performance deposit with the Department of Safety & Inspections;
2. apply for a Code Compliance inspection with the Department of Safety & Inspections
The code compliance application must include lock box code and box must be attached to door for use;
3. If a third party is intending to rehabilitate the property, pending transfer of title, the contract used for this transaction will need to be approved by the Legislative Hearing Officer. **Please note that title cannot transfer until the rehabilitation is complete and nuisance abated;**
4. **submit evidence of financing sufficient to complete the rehabilitation.** Staff estimates costs to exceed \$100,000. If total for bids are more than 20% less than staff estimate, a

high level of detail will be required. Financing could be business or personal accounts, a line of credit, or construction loan. Other types of financing will be reviewed on a case-by-case basis;

5. **submit an affidavit indicating the finances will be dedicated to completing the project** and not diverted until a code compliance certificate is issued; and
6. **submit work plan, sworn construction statement, or scope of work.** This should include **signed** subcontractor bids and a **schedule** for completion of the project; and
7. **the property must be maintained.**

The Code Compliance and performance deposit forms can be found online here:

<https://www.stpaul.gov/departments/safety-inspections/vacant-buildings>. Please contact the Department of Safety and Inspections directly at 651-266-8989 for questions regarding the application or payment process. **Please include the lock box code in your Code Compliance Application.** Samples of these documents will be sent at a later date, if you would like them sooner please let me know.

If you have any questions, please contact me at 651-266-8585.

Sincerely,

/s/
