Subject: Objection to Assessment for Tall Grass and Weed Removal – Request for Fee Waiver

Dear Legislative Hearing Officer,

I am writing regarding the proposed assessment for tall grass and weed removal at my property located at 384 Earl St, St. Paul, MN (Property ID #33-29-22-42-0142), referenced in File # J2513TW / Assessment #258571.

I respectfully object to this assessment. I did not receive any prior notice or letter informing me of the tall grass or weed violation before the work was done. Without receiving a warning or opportunity to address the issue myself, I believe it is unfair to impose this fee.

I kindly request that the City Council consider dropping or reducing the fee, as I was not given a chance to resolve the matter on my own.

Thank you for your time and consideration. I look forward to your response.

Sincerely,
Ikram Ali
