Saint Paul, MN 55103

St. Paul Police Department-

On February 13, 2026, the Saint Paul Police Foundation reviewed and approved a \$30,668 donation request to purchase four new Segways for downtown officers. The Foundation's Grants Committee unanimously supported the request, recognizing the important role this equipment plays in enhancing mobility, visibility, and public safety in downtown Saint Paul. We are proud to partner with the Saint Paul Police Department to help provide the tools officers need to serve our community effectively and safely.

Sincerely,

Kristen Sheehan
