Dear Applicant:

Review of your application for a license is in process. Notification has been sent to the community organization and neighbors for the area in which you intend to operate giving them until **Wednesday, September 6, 2023** to voice concerns to your application. Enclosed is an affidavit listing conditions DSI recommends be placed on this license. If you accept these conditions, please sign and return the affidavit. If you want to oppose placement of any of the conditions on the license, or have any questions, please contact DSI at one of the numbers referenced below so that we may explain your options.

If no objections are received, and you have returned a signed affidavit, your license will be forwarded to the City Council for review and if approved by Council could then be issued (pending any requirements not completely met). If objections are received a hearing will be scheduled before a legislative hearing officer. You will receive notice of the time, place and date of the scheduled hearing from the Legislative Hearing Officer. At that hearing, the hearing officer will take testimony from all interested persons and will make a recommendation to the City Council as to whether the license(s) should be approved or be referred to an administrative law judge for further review. The City Council will have the final authority to grant or deny this license application.

**Requirements including the following must be met prior to the issuance of your licenses:**

- Sign and return one copy of the enclosed license condition affidavit acknowledging the conditions that will be placed on your license(s). A return envelope has been included for your convenience.
- Obtain all necessary building and/or trade permits related to any construction work associated with the establishment of this use, and all required inspection approval(s) related to these permit(s). Only licensed trade contractors authorized to perform work in that trade (e.g., plumbing, electrical, ventilation, etc.) may obtain permit(s) and/or perform work in such trade.
- Provide proof of having obtained a restaurant license from the Minnesota Department of Health (MDH), who may be contacted at 651-201-4500 for information about their licensing process if you have not already done so.
- Contact DSI License Inspector Ross Haddow at 651-266-9143 to schedule the required on-site review of DSI's Liquor License Manual.
- Send in a copy of your current Liquor Liability Insurance.
