(Note - after (c) (6) Not labeled)

The director may recommend the imposition of such reasonable conditions and/or restrictions as an adverse action against the license or licenses. The council may impose such conditions with the consent of the license holder, as an adverse action against the license or licenses following notice and hearing as may be required. Such conditions may be imposed on a license or licenses upon issuance or renewal thereof, or upon and as part of any adverse action against a license or licenses, including suspension. Conditions imposed on a license or licenses will remain on such licenses when renewed and must continue thereafter until removed by the council.
