

Space heater, open wall in unit 2.

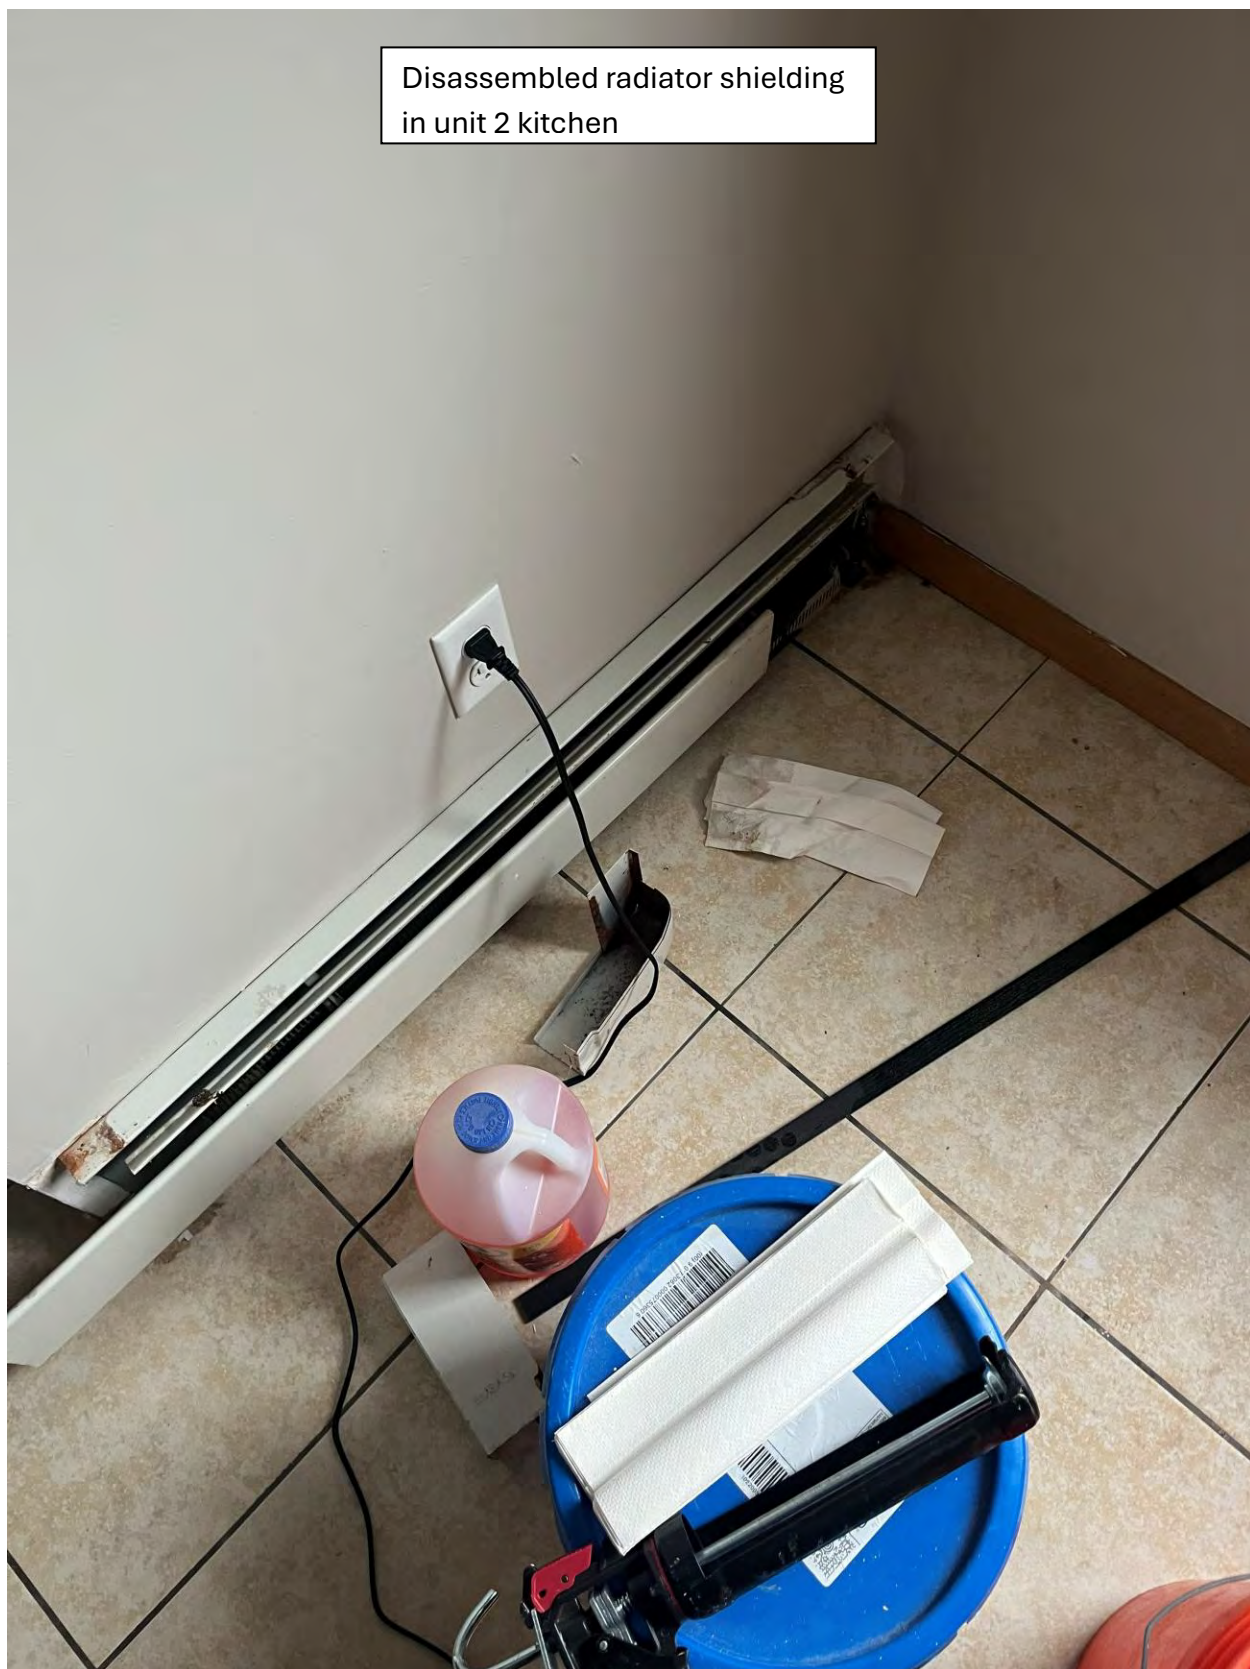

Disassembled radiator shielding
in unit 2 livingroom

Space heater in unit 2 bathroom.

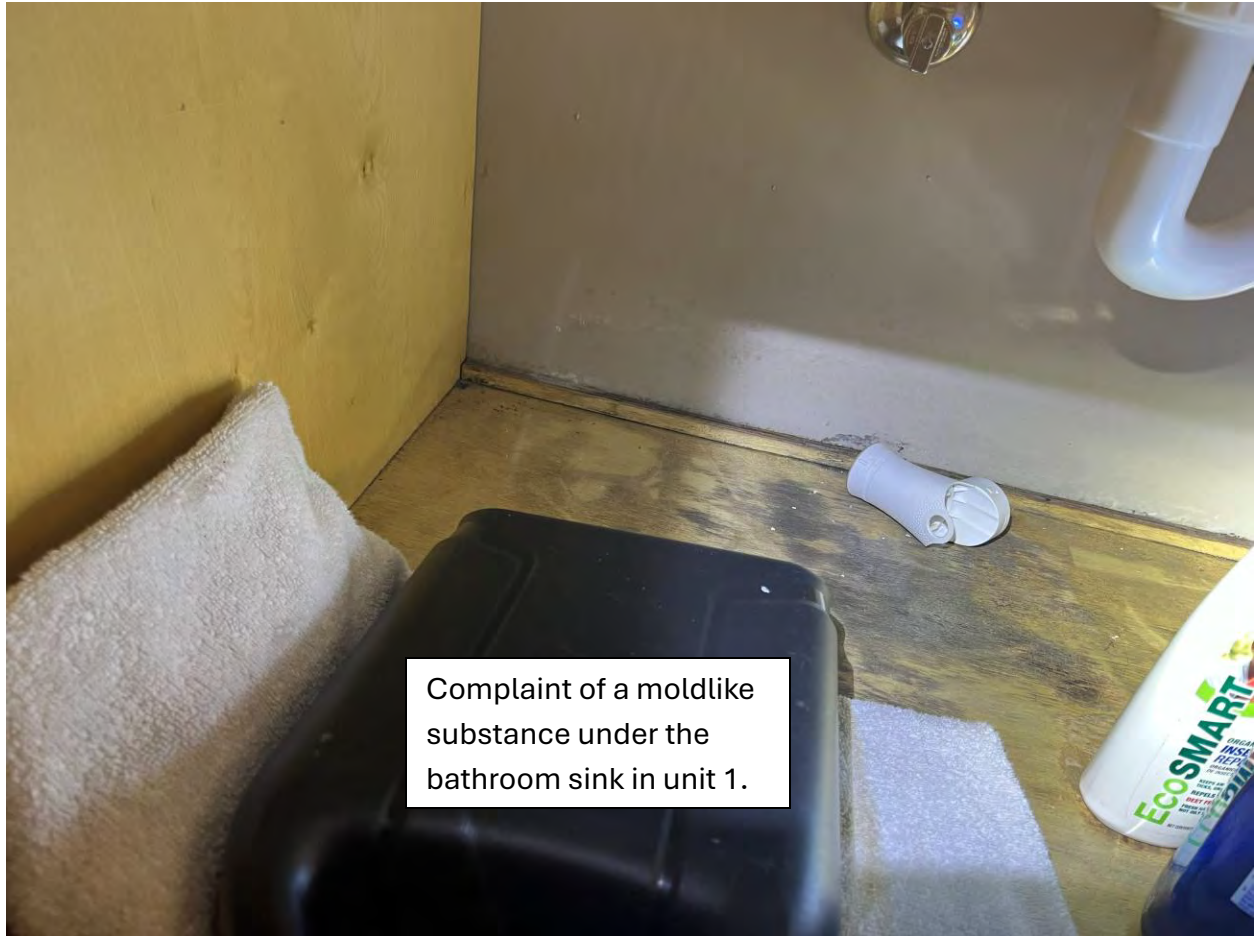

Disassembled radiator shielding
in unit 2 kitchen

A photograph of a digital thermometer, specifically a Klein Tools model, resting on a clipboard. The thermometer's LCD screen displays a temperature of 69.0°F. The device is orange and black, with buttons for 'MAX/MIN', 'T1-T2', and 'HOLD'. A thin metal probe is attached to the front. The clipboard holds a document titled 'Air Flow' with various fields for 'Room', 'Room Number', 'Date', 'Time', 'Subject', and 'Temperature'. The document also contains a section for 'Comments' and a 'No Read' section. The clipboard is placed on a dark surface, and a portion of a window frame is visible on the right side of the image.

Unit 1 temp in Kitchen.

Thermostat in Unit 1 showing temp is 68 degrees with use of 2 space heaters
