Good morning,

I realized I neglected to send some other follow up information discussed in the hearing with my letter.

First, the Metropolitan Mosquito Control District will pick up tires free of charge, in the warmer months. I believe they start in May of 2026. You can find information on the program and contact information online here: <https://mmcd.org/tire-recycling/>

Second, as part of your trash service, you receive a free bulky item pickup each month. You can find information online here, or schedule a pickup:
<https://www.stpaul.gov/departments/public-works/garbage-and-recycling/residential-collection/bulky-item-collection>

Thank you,
Joanna
