Mr. Taylor,

I'm following up on your Legislative Hearing on May 7, for which the Legislative Hearing Officer's recommendation was forthcoming. After reviewing the file, she will recommend that the Council **delete this assessment** (due to lack of documentation of conditions when crew arrived).

This goes before the City Council on June 26, and no further action is needed by you. However please note it will still show as a pending assessment on the City's website until after the City Council votes on it that day.

Thank you,  
Joanna
