RE: Assessment # 243001 / Parcel ID # 11-28-22-44-0013

To Whom It May Concern,

I, Moua Vang, homeowner at 685 McKnight Road S, do wish to have this added to our property taxes as stated in the letter we received dated August 26th, 2024. Unfortunately, we were impacted by the recent storm where damages were sustained by our primary residence (date of loss: 7/16/24). Our insurance deductible and unexpected tree removal created financial hardship and challenges. Please note that our primary residence has been repair with ongoing work to get our home back to its original state (Homesite claim #: 01-007-847842).

Thank you for your understanding in this matter.

Regards,
