Council members, I am a resident of St. Paul Como park neighborhood. I strongly encourage swift implementation of the ordinance to prohibit ICE and DHS from using city property including Como park parking lots. Agents with guns have been using lots st Como park. A legal observer was abducted at Como pavilion. I have a children's group that meets across the street. This is not safe. There must be checks on the federal violence and accountability by requiring them to operate without masks and with IDTags. They are not operating law and we as a city needs stronger checks to keep our neighborhoods safe.
