Internal note

PO states that they would like to contest his assessment. He would like to be placed on the schedule for the layover on 10/17 at 9AM. He has a commitment at 10AM, so it will have to be during that window.

[Jillian Barden](#) -- I see that his previous tickets on this issue were marked *so/ved*, but I wasn't quite able to figure out what that resolution was to share the info with him. I told him you would call back next week to follow up.

PO also wanted to pass along a compliment to Jillian saying that he's never had someone be so responsive and helpful :)
