This letter is a formal appeal regarding a correction notice issued against my property on December 11, 2024. I have family members with a wholesale dealer license in Wisconsin who visit frequently and park in my well-lit driveway, which is equipped with security cameras. They choose to park here instead of on the public street due to the high rate of vehicle theft in the area. All vehicles parked in my driveway have valid registration and licensed plates; no vehicle repair or sales business is conducted on these premises. I have included photos from the inspection dated December 11, 2024, which show that the vehicle wheels were on an approved surface, although the rear bumper is overhanging above the dirt.

I have made numerous attempts to contact Richard Kedrowski, Badge #320, leaving multiple voicemails on Monday, December 16, 2024, and Thursday, December 19, 2024, seeking clarification on this matter.

Thank you for considering my appeal. If you need any further information, please feel free to reach out to me via email or phone.

Dear Sir/Madam:

The City of Saint Paul, Department of Safety and Inspections has inspected the above referenced property on **December 11, 2024** and has determined that the following deficiencies exist in violation of the Saint Paul Legislative Code¹ (see footnote 1, below).

1. SPLC 34.08. - **VEHICLES:** All vehicles must be correctly licensed, operable, secure from unauthorized entry, and parked on an improved surface. Correct violations, store in a garage or remove.

ALL VEHICLES ON THE PROPERTY MUST HAVE CURRENT TABS, MUST BE REGISTERED TO THE PROPERTY, MUST BE FULLY OPERATIONAL, CANNOT BE MISSING ANY VITAL PARTS, CANNOT BE OPEN TO ENTRY AND MUST BE PARKED ON AN APPROVED SURFACE. CODE ENFORCEMENT OFFICER

Footnote:

¹ To see the Legislative Code go to www.stpaul.gov on the internet, click on "Departments", then click on "Department of Safety and Inspections", scroll down the page for the "Codes". Most Correction Notices derive from Chapter 34.

WARNING: Code inspection and enforcement trips cost the taxpayers money. If the violations are not corrected within the time period required in this notice, the city's costs in conducting a reinspection for compliance after the due date will be collected from the owner rather than being paid for by the taxpayers of the City. If additional new violations are discovered within the next following 12 months, the city's costs in conducting additional inspections at this same location within said 12 months will be collected from the owner rather than being paid for by the taxpayers of the City. Any such future costs will be collected via assessment against the real property and are in addition to any other fines or assessments which may be levied against you and your property.
