Hi Jill,

I am so sorry. Somehow, your appeal was missed. However, we still don't have any information from Dept of Safety & Inspections to put together a file. Their transition to a new system is taking longer than expected and IT will not release the information from the old system to us. This will have to reschedule again. The new hearing date will be **March 24, 2026 via telephone between 9am-11am. Our incoming call will be from 612-315-7905.**

Thanks and I apologize for the inconvenience.

Hello,

I was to receive a call today for an administrative hearing. The previous message said the call would arrive between 9 AM and 12 PM. I adjusted my work schedule so I could be available to receive the call, but I never received a call.

Please advise.

Thank you,

Jill

Please note that the City had a security incident since July and our IT department is working very hard in restoring information. If I don't have information I need for the hearing, I may need to reschedule you again, but I will wait until the date gets closer. Also, let me know if this date don't work for you.

Thanks,
