Re: Remove or Repair of the Structure at 378 SIMS AVENUE

Dear Interested Parties:

This is to confirm that at the Legislative Hearing on Tuesday, May 14 Legislative Hearing officer Marcia Moermond continued the matter to Legislative Hearing on **Tuesday**, **May 28**, **2024 at 9:00 a.m.** in room 330 City Hall/Courthouse (or via phone between 9 and 11 am) for further discussion.

By close of business Friday, May 24, 2024 please submit:

- 1. submit evidence of financing sufficient to complete the rehabilitation. Staff estimates costs to exceed \$60,000. If total for bids are more than 20% less than staff estimate, a high level of detail will be required. Financing could be business or personal accounts, a line of credit, or construction loan. Other types of financing will be reviewed on a case-by-case basis;
- 2. submit an affidavit indicating the finances will be dedicated to completing the project and not diverted until a code compliance certificate is issued; and
- **3. submit work plan, sworn construction statement, or scope of work.** This should include **signed** subcontractor bids which address <u>all items in the Code Compliance Inspection Report</u> and a <u>schedule</u> for completion of the project

As always the property must continue to be maintained. Those items can be emailed to me at Joanna.zimny@ci.stpaul.mn.us and I will send to staff for review. If you would like samples of these documents please let me know. If you have any questions, please contact me at 651-266-8585

Sincerely,

/s/

Joanna Zimny
