Internal note

There's already (1) 35- Weekly, (1) 35EOW at the property. PO request to remove 35 -Weekly.

Internal note

Listened to Rose's conversation with the PO. She has 1 weekly cart and 1 every-other-week at the property but we are billing for 2 weekly carts. **PO wants 1 small, weekly cart.**

1. Needs a billing adjustment for Q1 and Q4 to reflect 35-EOW instead of 35(2).

2. Enroll in Cart sharing and remove the EOW cart to leave them with 35(1).

Hello Mary,

Your garbage cart sharing application for multi-unit buildings is approved at the address 1397 Hewitt Ave, St. Paul, Minnesota, 55104. This approval will allow you to share 1 garbage cart between the 2 units at your property as long as there are no overflow garbage issues. You will receive an email with cart removal details shortly. Billing will be prorated on the date the cart job is completed.

Please review Cart Sharing details here: stpaul.gov/cartsharing.

Thank you,

Melanie
