Mark,

As you are aware, the Council continued this matter to November 5 City Council (Public Hearing was closed), as such, there will be NO making-finding hearing being held tomorrow. The recommendation for compliance with the Vehicle Abatement Order will change from November 3, 2025 to November 14, 2025 and will follow up on **both** making-finding hearings (for both the tall grass and weeds and Vehicle Abatement orders) on Tuesday, November 18th, 2025 at 11 am.

Please let us know if you have questions,

Mark,

Per our conversation, this email is to confirm our discussion that your Council Public Hearing originally scheduled for today, October 8 will be rescheduled to 3:30 PM Wednesday, October 15, 2025 in room 300 City Hall/Court House.

As such, your compliance date will be pushed from October 13, to October 20th. I noticed you had some questions when I mentioned the Making-finding hearing, please reference my original letter (attached and sent last Friday). This hearing will moved to October 21 (from 10/14), however your October 22 Council Public Hearing will remain the same as noticed in the letter. All your NOVEMBER deadlines ALSO remain the same (per the attached letter).

Please let us know if you have any questions,

Joanna
