

**BOARD OF WATER COMMISSIONERS
RESOLUTION**

PRESENTED BY
COMMISSIONER _____

No. **25-1788**
DATE November 18, 2025

WHEREAS the Board of Water Commissioners of the City of Saint Paul (“Board”) adopted its 2025 budget in December 2024; and

WHEREAS, the 2025 Adopted Budget included an appropriation of \$75,000 in AU 69082150-63160 earmarked for General Professional Services for meter operations. Staff has determined that redirecting these funds to 69082140-63160 for General Professional Services for post implementation services for the EAMS project would be more beneficial; and

WHEREAS, the administrative order will result in no increase or decrease to spending, it will transfer the budget to where it is needed; therefore via

ADMINISTRATIVE ORDER, consistent with the authority granted to the Mayor in Section 10.07.4 of the City Charter, and on the request of the Board of Water Commissioners to amend the 2025 budget in the spending budget of the Water Utility Fund, the Office of Financial Services is authorized to amend said budget in the manner as specified in the attached financial analysis.
