

Tyrone - 66

"I love Work Now, it works well with my school schedule, it's the BEST thing since sliced bread!" Tyrone was able to get his CDL while with Work Now and also transitioned into Housing.

Karrie - 35

*Beautifying our
community with
dignity*

"I really love Work Now, I had a hard time getting a job because I have a felony, now I have a job and feel much better about myself." Karrie transitioned into housing while with Work Now.

Jon - 62

"I love Work Now! It helps me afford my basic needs, get something to eat, it keeps me from having to go out and beg, and run a sign, I love everything about this Job!" After we helped Jon get some petty citations dropped, he was able to get into transitional housing while in the program, and it helps him try and stay sober.
