Hi Joanna,

I will be out there today. I have been stifled on this one due to IT issues with my new computer. Behind me now, glad you brought it up, so many things took a back burner to that. I will ask other inspectors to expedite due to the delay.

Have a great day!

Hello Joanna,

I just got a couple voicemails about the house at 887 Charles Ave. I've been talking with Clint about when he is going to come over for the initial inspection, I talked with him last Friday and he was thinking he might be able to get over here on Thursday this week possibly. I have the lockbox and the code is 1776. But I'd like to be at the property when Clint does his walk through, so I can be sure that everything is ok for the other inspections to take place, so they don't waste their time if I still need to move any more of the boxes, furniture or any clutter out of the way. Clint indicated to me that it should be fine and he'll get over to the house maybe this week or next week sometime.

Thanks,

Kyle

Wonderful, I

yes Mr. Humphrey did let us know those items were done. Thanks for taking care of that. Please make sure to get him a lock box combo ASAP so that inspection can be done.

As those two items are completed, there is no need to attend the Council Public Hearing on May 1, it will be referred back to **May 28 at 9 am for your next Legislative Hearing** without any discussion by the Council.

Thank you,
Joanna

Hi Joanna,

Not sure if I'm supposed to provide updates or not.

The Performance Deposit is paid now (Payment # 1674839).

And the Code Compliance is also paid (Payment # 1674837).

I have Robert and Clint's contact info and will coordinate with them. I spoke with Robert H today about scheduling the inspections.

I'm not clear about what day and what time I'm expected to show up again for the following meeting. Am I to go there again in person on May 1st? Or is there a later date which I should go there next?

Thanks,

Kyle
