Steps to Establish Budget To Actual Review/Operations/Standards

- line item, special fund, or spending group assignments to appropriate leaders
- establish, document, and communicate budget performance management guidelines
 - 10% adjustment across line items does not require approval
 - annual overage or underspending > 15% requires explanation and updated plan,
 - program additions and eliminations must be approved by PED Deputy and/or Exec Dir., etc.
- clear communication of budget leadership expectations
 - engage staff
 - involve and apply special industry standards & practices
