FOR VALUE RECEIVED, the undersigned, Hendrie Grant Lending VII, Inc (hereinafter referred to as the "Maker") hereby agrees and promises to pay to the order Leonid Frolov, its endorsees, successors and assigns (hereinafter referred to as "Holder"), at such place as Holder hereof may from time to time designate in writing, the principal sum of One Hundred Thousand AND 00/00 (\$100,000.00) dollars, together with interest on the unpaid principal balance of this Note outstanding from time to time, at the rate of eight percent (8.0%) per year, computed on the basis of a 30 day month, said principal and interest to be paid as hereinafter specified.

All amounts due hereunder shall be payable in lawful money of the United States on or before 3/25/2022 or when the underlying loan is paid whichever comes first. Payment of interest accrued in the previous month due monthly on the first on the month. Final interest payment is due the first of the month following the payoff.

All payments shall be applied first to interest and then to the principal, except that if any advance made by Holder under the terms of any instruments securing this Note is not repaid, any monies received, at the option of Holder, may first be applied to repay such advances, plus interest thereon, and the balance, if any, shall be applied as above.

In the event that any payment required hereunder is not paid within ten days of the due date, Maker agrees to pay a late charge of \$.05 per \$1.00 of unpaid payment to defray the costs of Holder incident to collecting such late payment. This provision shall not be deemed to excuse a late payment or be deemed a waiver of any other rights Holder may have including the right to declare the entire unpaid principal balance and interest immediately due and payable.

This Note is made pursuant to the laws of the State of Minnesota and is the Note referenced in and secured by a Contract for Deed (hereinafter referred to as the "Contract for Deed") and other security instruments of even date herewith, all of which are incorporated herein by reference, given by Maker to Holder encumbering certain real property and personal property situated in Ramsey County, Minnesota more fully described in the Contract for Deed (hereinafter referred to as the "Premises").

Maker shall have no period of time to cure a monetary default. If there is a nonmonetary default (any default which is not a monetary default), Maker shall have ten (10) days to cure such nonmonetary default after written notice of default from Holder unless the nonmonetary default cannot be cured within said ten (10) day period. In such event, Maker shall have a reasonable time to cure the default provided that Maker takes action to begin to cure the nonmonetary default within said ten (10) days and Maker is, in Holder's sole judgment, working diligently to complete the cure. Upon a monetary default or upon expiration of the cure period of a nonmonetary default as set forth above, the entire unpaid principal balance together with accrued interest thereon should become immediately due and payable at the option of Holder. Time is of the essence. No delay or omission on the part of Holder in exercising any right hereunder shall operate as a waiver of such right or of any other remedy under this Note. A waiver on any occasion shall not be construed as a bar to or waiver of any such right or remedy on a future occasion.

Upon the occurrence of an event of default hereunder, Maker agrees to pay the costs of collection including reasonable attorneys' fees.

Maker hereby waives presentment for payment, protest and notice of non-payment and Maker hereby consents, without affecting its liability, to any extension of the time or terms of payment hereof, any renewal, any release of all or any part of the security given for the payment hereof, any acceptance of additional security of any kind, and any release of, or resort to any party liable for payment hereof.
