Hi Mr. Eggen and Mr. Mortimer,  
At your City Council public hearing today, Ms. Moermond is going to recommend that the Vacant Building fee be ratified and be payable over 5 years. If you still want to contest this, you may attend today's public hearing or she can continue to next week, January 28 for you to contest further. Not sure what the outcome of the inspection from Clint Zane, but looking at the record, this Vacant Building fee has met its one billable year.
