RE: Auto Body Repair/Painting Shop license held by Eagle Auto Body LLC d/b/a Eagle Auto Body LLC for the premises located at 786 Robert Street South, in Saint Paul.
License ID #:240000663

Dear Licensee:

The Department of Safety and Inspections ("Department") has recommended adverse action against the Auto Body Repair/Painting Shop License held by Eagle Auto Body LLC ("Licensee"). Eagle Auto Body LLC located at 786 Robert Street South (Licensed Premises").

Legal Basis for Action:

Saint Paul Legislative Code §310.01, defines Adverse Action as:

"the revocation or suspension of a license, the imposition of conditions upon a license, the denial of an application for the grant, issuance or renewal of a license, the imposition of a fine, the assessment of the costs of a contested hearing, and any other disciplinary or unfavorable action taken with respect to a license, licensee, or applicant for a license. Adverse action includes any of the foregoing directed at one (1) or more licenses held by a licensee at any location in the city. Adverse action also includes disapproval of licenses issued by the state under statutory provisions which permit the governing body to disapprove the issuance of the license."

Saint Paul Legislative Code §34.08 (7) states:

- (7) *"Parked or stored vehicles.* All existing parking spaces shall consist of asphalt, concrete, gravel, rock, or other durable and dustless surfaces. Existing parking surfaces must be maintained in a professional state of repair and may be maintained with like materials without additional approval from the city. Existing parking surfaces must be contained to eliminate migration onto other

adjacent surfaces and must be clearly delineated. In all residential districts, off street parking shall not be located within any front yard or non-interior side yard. Before any existing parking spaces or driveways may be expanded upon, site plan approval must be obtained as specified in the Saint Paul Zoning Code and the lot must be developed in conformance with such approval."

Factual basis for imposition of \$500.00 matrix penalty:

Violation # 1:

On December 16, 2024, Inspector Allan Vang sent a Correction Notice to the licensee, Kamal Ahmed, regarding the December 12, 2024, inspection of the property. During the inspection a number of violations were discovered. Mr. Ahmed was advised the violations must be fully corrected on or before December 27, 2024, where a reinspection will take place shortly thereafter. The violations which were discovered during the December 12, 2024, inspection are as follows:

- License Condition 1: All vehicles must park according to the approved site plan dated 4/19/2024, there was 5 vehicles onsite during inspection that was not parked according to approved site plan.
- License Condition 2: No exterior storage of vehicle parts, tires, or any other similar materials associated with the business and trash will be stored in covered dumpster. Must obtain and comply with Ramsey County Hazardous Waste regulation.
- License Condition 3: No vehicles under the control of the licensee can be parked and/or stored in the public right-of-way. There was 11 vehicles parked on the public right of way during inspection.

"Saint Paul Legislative Code §65.701 (b) states: There shall be no exterior storage of parts or merchandise."

Violation #2:

On January 6, 2025, Inspector Allan Vang conducted a re-inspection of the property and handed Mr. Ahmed a copy of the Correction Notice letter dated December 16, 2024. Inspector Allan Vang introduced himself as a Licensing Inspector for the City of Saint Paul Safety and Inspections (DSI). Inspector Allan Vang asked Mr. Ahmed if he had any concerns regarding the re-inspection and Mr. Ahmed stated he did not have any concerns or questions. Inspector Allan Vang proceeded with his inspection of the exterior and surrounding areas of the business property.

Upon inspecting the exterior and surrounding areas of the property, there were three (3) vehicles that were parked in front of the garage bay doors facing Belvidere Street. There were three (3) vehicles also parked

on the public right-of-way (Belvidere Street), two (2) vehicles parked in front of garage bay door facing Robert Street South. There was also one (1) vehicle parked on the public right-of-way on Robert Street South.

Upon inspecting the side of the business property facing Belvidere Street, where the dumpster was located, there was a rubbish, brown wooden door, black plastic sheet and a wooden pallet leaning against the building wall.

Mr. Ahmed stated "he has no control of the missing or semi damage vehicle(s) parked on the public right-of-way or customers who park there. He is not always there to enforce the license conditions and should not be held accountable." Mr. Ahmed continued also stated "you (Allan) are just picking on me and my business, even the neighbors did not complain. You (Allan) are not working with me, and you are against me. Some of those vehicles belong to my employees or neighbors. I want to know what I should do if vehicles keep parking on the public right-of-way?" Inspector Allan Vang then told Mr. Ahmed that if those vehicle(s) do not belong to him he can call parking enforcement to report it. Inspector Allan Vang gave the non-emergency Saint Paul Police number to Mr. Ahmed along with the DSI complaint number.

Mr. Ahmed also stated that he would be stopping by at the DSI office to talk to Jeff and Eric regarding the license conditions. He also wants to talk about how he should not be responsible for any vehicles parked on the public right-of-way.

Current License Conditions

1. All customer and employee vehicles must be parked in accordance with the approved site/parking plan on file with the Department of Safety and Inspections (DSI). Appropriate measures shall be taken so that vehicles do not project into the public right-of-way (i.e., sidewalk).
2. There shall be no exterior storage of vehicle parts, tires, oil or any other similar materials associated with the business. Trash will be stored in a covered dumpster. Storage of vehicle fluids, batteries, etc. shall be in accordance with the Ramsey County Hazardous Waste regulations.
3. No vehicles under the control of the licensee can be parked and/or stored in the public right-of-way. This includes vehicles waiting for repairs and vehicles waiting to be picked up by the customer.
4. The storage of vehicles for the purpose of salvaging parts is expressly forbidden. Vehicle salvage is not permitted.
5. No repair of vehicles may occur on the exterior of the lot or in the public right-of-way (e.g., street, alley, sidewalk, boulevard, etc.). All repair work must occur within an enclosed building.
6. Auto repair is not permitted.
7. Vehicle sales is not permitted.

Amended/Proposed License Conditions:

1. All customer and employee vehicles must be parked in accordance with the approved site/parking plan on file with the Department of Safety and Inspections (DSI). Appropriate measures shall be taken so that vehicles do not project into the public right-of-way (i.e., sidewalk).
2. There shall be no exterior storage of vehicle parts, tires, oil or any other similar materials associated with the business. Trash will be stored in a covered dumpster. Storage of vehicle fluids, batteries, etc. shall be in accordance with the Ramsey County Hazardous Waste regulations.
3. No customer vehicles under the control of the licensee can be parked and or stored in the public right-of-way (e.g., street, alley, sidewalk, boulevard, etc.) This includes vehicles waiting for repairs and vehicles waiting to be picked up by the customer.
4. The storage of vehicles for the purpose of salvaging parts is expressly forbidden. Vehicle salvage is not permitted.
5. No repair of vehicles may occur on the exterior of the lot or in the public right-of-way (e.g., street, alley, sidewalk, boulevard, etc.). All repair work must occur within an enclosed building.
6. The storage of vehicles for the purpose of salvaging parts is expressly forbidden. All vehicles parked outdoors must appear to be completely assembled with no major body parts missing. Vehicle salvage is not permitted.
7. Customer and/or employee vehicles may not be parked longer than ten (10) days on the premises. It shall be the responsibility of the licensee to ensure that any vehicle not claimed by its owner is removed from the lot as permitted by law.
8. Auto repair is not permitted.
9. Vehicle sales is not permitted.
10. Licensee must comply with all federal, state and local laws.

Adverse Action Recommendation:

The Department of Safety and Inspections will recommend a \$500.00 matrix penalty for violating license conditions 1, 2, 3, and Saint Paul Legislative Code §34.08 (7).

You have four (4) options to proceed:

1. If you do not contest the imposition of the proposed adverse action, you may do nothing. If I have not heard from you by **March 14, 2025**, I will presume that you have chosen not to contest the proposed adverse action and the matter will be placed on the City Council Consent agenda for imposition of the \$500.00 matrix penalty.
2. You can pay the \$500.00 matrix penalty. If this is your choice, you should make payment directly to the Department of Safety and Inspections, at 375 Jackson Street, Ste. 220, St. Paul, Minnesota 55101-1806 no later than **March 14, 2025**. A self-addressed envelope is enclosed for your convenience. Payment of the \$500.00 matrix penalty will be considered an admission to the violation and waiver of the hearing to which you are entitled.
3. If you wish to admit the facts but you contest the \$500.00 matrix penalty, you may have a hearing before the Saint Paul City Council. You will need to send me a letter with a statement admitting to the facts and requesting a Council hearing no later than **March 14, 2025**. The matter will then be scheduled before the City Council to determine whether to impose the \$500.00 matrix penalty. You will have an opportunity to appear before the Council and make a statement on your own behalf.
4. If you dispute the facts outlined above, you may request a hearing before an Administrative Law Judge (ALJ). You will need to send me a letter disputing the facts and requesting an administrative hearing no later than **March 14, 2025**. At that hearing both you and the City will appear and present witnesses, evidence and cross-examine each other's witnesses. After receipt of the ALJ's report (usually within 30 days), a hearing will need to be scheduled. At that time, the City Council will decide whether to adopt, modify or reject the ALJ's report and recommendation.

Please note: If you choose an administrative hearing, the Department of Safety and Inspections reserves the right to request that City Council impose the costs of the administrative hearing per Saint Paul Legislative Code § 310.03 (k).

If you have not contacted me by March 14, 2025, I will assume that you do not contest the imposition of the \$500.00 matrix penalty. In that case, the matter will be placed on the City Council Consent Agenda for approval of the recommended penalty.

If you have questions about these options, please contact my Paralegal Riddhi Mistry at riddhi.mistry@ci.stpaul.mn.us , (651) 266-8835.

Sec. 310.01. - Definitions.

For the purposes of this chapter, any chapter of the Legislative Code pertaining to licenses as hereinafter mentioned, and subsequently enacted ordinances establishing or relating to the requirements for Class R for routinely issued licenses, Class T for temporary licenses and Class N for licenses in which neighbors are required to be notified, under authority of the City of Saint Paul, the terms defined in this section have the following meanings:

Adverse action means the revocation or suspension of a license, the imposition of conditions upon a license, the denial of an application for the grant, issuance or renewal of a license, the imposition of a fine, the assessment of the costs of a contested hearing, and any other disciplinary or unfavorable action taken with respect to a license, licensee, or applicant for a license. Adverse action includes any of the foregoing directed at one (1) or more licenses held by a licensee at any location in the city. Adverse action also includes disapproval of licenses issued by the state under statutory provisions which permit the governing body to disapprove the issuance of the license.

Bond means a bond meeting the requirements of section 310.05 and indemnifying the city against all claims, judgments or suits caused by, resulting from or in connection with any licensed business, activity, premises, thing, facility, occurrence or otherwise under these chapters.

Building official means the official in the department of safety and inspections charged with the responsibility of enforcement of the building code.

Chapters and these chapters mean this uniform license ordinance, any chapter of the Legislative Code pertaining to licenses as hereinafter mentioned, and subsequently enacted ordinances establishing or relating to the requirements for class R, class T, and class N licenses under authority of the city.

Class R licenses means those licenses and certain permits which can be issued by the director without council approval if no conditions are imposed upon the license and which do not require a hearing if there is an objection. Class R Licenses follow the Procedures for Application for the Grant or Issuance of a License, New Application Investigation and Review, Application Denial, Notice, Levels of Approval, Objections, and Renewal Procedures laid out in Section 310.02(1). Sec. 34.08. - Exterior property areas on residential properties.

The owner of any premises or structure regulated by this section, as specified in section 34.03, shall comply with the following requirements:

- (1) *Sanitation*. All exterior property areas shall be maintained in a clean, safe and sanitary condition, free from any accumulation of garbage, mixed municipal solid waste, animal feces or refuse.
- (2) *Grading and drainage*. All premises shall be graded and maintained so as to drain water away from structures and minimize the accumulation of water on such premises.
- (3) *Ground cover*. Every residential premises shall be maintained in a condition to control erosion, dust and mud by suitable landscaping with grass, trees, shrubs or other planted ground cover, or by suitable paving or by other means as shall be approved by the enforcement officer.
- (4) *Insect and rodent infestations*. It shall be the responsibility of the owner to control and/or eliminate any infestation of insects, rodents or other pests in all exterior areas and accessory structures on the premises.
- (5) *Accessory structures*. All accessory structures including, but not limited to, detached garages, sheds and fences, shall be kept in a professional state of maintenance and repair and maintained structurally sound. All exterior wood surfaces, other than decay-resistant woods, shall be protected from the elements and decay by paint which is not lead-based paint or by other protective covering or treatment. Service doors to accessory structures shall be provided with securing locks.
- (6) *Stored materials*. It shall be unlawful to accumulate and store building material, lumber, boxes, cartons, portable storage containers, inter modal cargo containers or other containers, machinery, scrap metal, junk, raw material, or fabricated goods.
- (7) *Parked or stored vehicles*. All existing parking spaces shall consist of asphalt, concrete, gravel, rock, or other durable and dustless surfaces. Existing parking surfaces must be maintained in a professional state of repair and may be maintained with like materials without additional approval from the city. Existing parking surfaces must be contained to eliminate migration onto other adjacent surfaces and must be clearly delineated. In all residential districts, off street parking shall not be located within any front yard or non-interior side yard. Before any existing parking spaces or driveways may be expanded upon, site plan approval must be obtained as specified in the Saint Paul Zoning Code and the lot must be developed in conformance with such approval.
- (8)
