13. This Agreement shall be binding upon Owner, its successors and assigns. Owner shall not assign its rights and obligations hereunder without first obtaining the written consent of the Board, which consent shall not be unreasonably withheld by the Board. In the event that Owner desires to transfer its title to a portion of the property hereof, it is expressly understood and agreed that the Owner and transferees shall enter into an agreement by which the transferees shall agree to pay all or a proportionate share of the cost of maintenance and replacement of the private water main and further agree to assume all or a proportionate share of the responsibility and liability arising out of the operation, maintenance, use and repair of the main or service pipes. This agreement shall be in form as to be subject to the approval of the Board, and the Board shall be provided with two (2) executed copies of the agreement.

14. Owner, in consideration of its being supplied water by the Board, upon the terms and conditions herein outlined, shall comply strictly with all of the rules and regulations of the Board, and shall pay or cause to be paid unto the Board therefore according to all applicable rates and charges prescribed and promulgated therefore by the Board now in existence or as may be modified or amended, which are hereby incorporated by reference. The Board reserves the right to shut off the water supply for nonpayment of applicable water charges, and it is expressly agreed that such unpaid water charges and costs incurred by the Board pursuant to this Agreement shall be and constitute a lien upon the Property.
