Subject: 499 Snelling Ave N.

You don't often get email from rfrieden@gmail.com. [Learn why this is important](#)

Hello! I'm a resident of Saint Paul in the Hamline-Midway community. I support the demolition (or some other reuse) of the defunct CVS at Snelling & University. It was a shame that the CVS closed and it's been an eyesore ever since. If the landlord isn't going to do anything productive with the building, it should be removed to make room for something else for the community.

Thanks,
Dr. Rachel Friedensen
