This above picture is the cover page of appraisal showing the date - the next photo of garage does not show the date on appraisal that's why I attached the cover page above

This is from appraisal report 2003 - you can see parking area and if you zoom in you an see gravel

This is picture from tenants window 2016 see parking area

Both theses are from google earth please note parking area 2015 and 2003

please find copy of : correction notice - site plan sent to zoning -inspections list and paving information Mn State website - email from R. Kedrowski-
