Subject: RE: [HRA Request for Information] DSI Permitting Positions in Budget Contingency

Jay,

I am sorry but I did not catch the deadline in the memo and I go on vacation tomorrow.

Most of this request does not make sense to me. I think you are referring to the comment I made to Chair Johnson that we asked HR for a Plan Review Examiner I to work out of title as a Plan Review Examiner II to support the housing permits.

We are paying for this out of unspent general fund payroll dollars since we cannot budget to contingent funds. The hiring requisition process requires us to identify a funding source when asking for positions. Since I do not have an accounting unit for the \$440,000, I cannot hire. I think we find ourselves in a chicken and egg situation here.
