Hello

PO states he did not have a cart but would place YW bags at the curb. When they were not picked up after a few days during Q2, he would just drive them to the YW site himself. He did this for multiple weeks before giving up and driving everything to the YW site, eventually stopped relying on curbside collection. PO asking for YW subscription charges to be removed, and I have to take it to a legislative hearing now.

Can you confirm if there were any pickups for YW this season?

Jillian

Our records show “Not out” week after week all the way back to June, we have pictures of at minimum 8 weeks of nothing out.
