Dominium's Response to Appeal

The final rules of the Residential Rent Stabilization Ordinance, as published on April 29, 2022, prescribe that 2019 and its net operating income shall serve as the base year for purposes of determining adjustments of future rents. Pursuant to Section A(4)(b), Landlords may present evidence to rebut the presumption that the Base Year NOI provided a reasonable return based on "exceptional circumstances" existing in the Base Year. Further, the Maintenance of Net Operating Income (MNOI) form provides for five different exceptions on page 19 for "Exceptional Circumstances in the Base Year," with exceptions (i), (iv), and (v) being satisfied. Contrary to Appellant's first claim, another clear exception is Section A(4)(b)(i) where "the gross income during the base year was lower than it might have been because some residents were charged reduced rent." Nonetheless, operating expenses at Cambric from 2019 to 2021 grew by \$116,147 or 17.1%. The primary drivers of the increases were: property taxes, insurance and damages, repairs and maintenance, utilities, and management services.

Every affordable housing development built within the Low-Income Housing Tax Credit (LIHTC) Program is subject to a Land Use Restriction Agreement (LURA). The subject property LURA requires that all units be made available for rent at reduced rents that are prescribed by the U.S. Department of Housing and Urban Development (HUD). Furthermore, HUD links those rents to changes in area median incomes so that rents only increase if incomes increase. Therefore, all such properties inherently satisfy the exception provided for in Section A(4)(b)(i). Accordingly for all such LIHTC properties, 2019 Baseline NOI would be eligible to be adjusted for all years during their LURA compliance period because residents "were charged reduced rent." See Exhibit A.

These LIHTC properties are financially vulnerable because they provide lower rents for residents, are underwritten at narrow debt service coverage ratios, and therefore operate on thinner margins than comparable market-rate properties. That basic economic balance is why these properties were underwritten with the assumption that rent levels would be at least adequate to keep pace with inflation to ensure these narrow operating margins could at least be sustained. Essentially, these properties were designed to ensure rent increases were sufficient to match inflation in operating costs. This delicate balance has now been interrupted.

Because LIHTC properties are not excluded from the ordinance and because they are already subject to a regulatory process prescribed by HUD, Base Year NOI needs to be adjusted to reflect the fact that the residents were charged reduced rent. To accurately respond to the Rules, 2019 rents should be increased to market rents for such units as though the LIHTC limitations do not apply, which is covered under exception 2(B)(iv) on Page 19 of the MNOI form due to "base year rents were disproportionately low in comparison to the base year rents of comparable rental units in the City of Saint Paul." Rents regulated by LURAs and other legal agreements with the City of Saint Paul are significantly below the market rents of "comparable rental units in the City of Saint Paul."

Therefore, rents will be reflected in the self-certification worksheet ("MNOI" form) as market-rate rents for comparable units. See Exhibit B.

Using the MNOI worksheets, adjusted rents for 2019, eliminating the existing LIHTC rent restrictions, results in a 51% increase in gross rents for this property. The HUD determined rent increase for this property is 11.89%, due to the in-place LIHTC restrictions. Rather than wait for a longer process to approve an 11.89% increase, we are limiting our increase to 8%, pursuant to the self-certification maximum. It should be noted, however, that the underlying legal arrangement in place controlling LIHTC properties that have previously been financed, with investors in place, is that at the expiration of the LIHTC compliance period 2019 rents (as adjusted for CPI) will be our actual in-place rents at such date.

Additionally, Appellant's rent for 2022 of \$1,440 is 7.14% above prior year of \$1,344. This is \$73 below HUD rent limit for a two-bedroom unit. The rent at Cambric has stayed within the HUD rent limit every year. See Exhibit C.

Prior to May 1st, 2022, properties were not subject to the St. Paul rent limits. We followed HUD rent limit rules and appropriately adjusted 2019 rents to today's levels.

While the rent levels set by HUD can vary widely, as we have seen this year due to the significant increase in incomes over the past few years, they are very moderate over time. The average rent increase between 1999 and 2022 in Ramsey County is 2.7% a year, providing a significant rent control, while still maintaining properties and homes. See Exhibit D.

We have properly followed City of St. Paul's adjustment provisions to determine are allowed increase that can be applied to the rents that exist at the time the ordinance is put in place, not at the rents that existed in 2019. Units that were vacant prior to the May 1st implementation of the ordinance were properly adjusted to the new HUD allowable rent level. These adjustments would not have been subject to the St. Paul ordinance. Any adjustment to rent made after May 1st is in accordance with the 8% approved increase.

Attached is the fully executed Land Use Restriction Agreement between the City of St. Paul and the owner of the property. Please note Section 3, items (e), (g), (h), and (i), which bind the property to the Section 42 Low Income Housing Tax Credit program, requiring compliance with all rent requirements of that program. Also see Exhibit C of the LURA which provides the Declaration of Land Use Restrictive Covenants.

HUD RIDER TO RESTRICTIVE COVENANTS

This HUD RIDER TO RESTRICTIVE COVENANTS is made as of May 10, 2017, by St. Paul Leased Housing Associates VI, LLLP, a Minnesota limited liability limited partnership ("Borrower") and the Minneapolis/Saint Paul Housing Finance Board c/o the Housing and Redevelopment Authority of the City of Saint Paul ("Agency").

WHEREAS, Borrower has obtained financing from Dougherty Mortgage LLC, a limited liability company organized and existing under the laws of Delaware ("Lender") for the benefit of the project known as The Cambric ("Project"), which loan is secured by a Multifamily Mortgage, Assignment of Leases and Rents, and Security Agreement ("Security Instrument") dated as of June 1, 2015, and recorded in the Office of the Registrar of Titles of Ramsey County, Minnesota ("Torrens Records") on May 29, 2015 as Document Number T02530926, and in the Office of the County Recorder of Ramsey County, Minnesota ("Abstract Records" and together with the Torrens Records, the "Records") as Document Number A04558202 and is insured by the United States Department of Housing and Urban Development ("HUD");

WHEREAS, Borrower has received an allocation of Low Income Housing Tax Credits from the Agency, which Agency is requiring certain restrictions be recorded against the Project; and

WHEREAS, HUD requires as a condition of its insuring Lender's financing to the Project, that the lien and covenants of the Restrictive Covenants be subordinated to the lien, covenants, and enforcement of the Security Instrument; and

WHEREAS, the Agency has agreed to subordinate the Restrictive Covenants to the lien of the Mortgage Loan in accordance with the terms of this Rider.

NOW, THEREFORE, in consideration of the foregoing and for other consideration the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

a) In the event of any conflict between any provision contained elsewhere in the Restrictive Covenants and any provision contained in this Rider, the provision contained in this Rider shall govern and be controlling in all respects as set forth more fully herein.

b) The following terms shall have the following definitions:

"Code" means the Internal Revenue Code of 1986, as amended.

"HUD" means the United States Department of Housing and Urban Development.

"HUD Regulatory Agreement" means the Regulatory Agreement between Borrower and HUD with respect to the Project, as the same may be supplemented, amended or modified from time to time.

"Lender" means Dougherty Mortgage, LLC, its successors and assigns.

"Mortgage Loan" means the mortgage loan made by Lender to the Borrower pursuant to the Mortgage Loan Documents with respect to the Project.

"Mortgage Loan Documents" means the Security Instrument, the HUD Regulatory Agreement and all other documents required by HUD or Lender in connection with the Mortgage Loan.

Declaration of Land Use Restrictive Covenants

"National Housing Act" means the National Housing Act of 1934, as amended.

"Program Obligations" has the meaning set forth in the Security Instrument.

"Residual Receipts" has the meaning specified in the HUD Regulatory Agreement.

"Security Instrument" means the mortgage or deed of trust from Borrower in favor of Lender, as the same may be supplemented, amended or modified.

"Surplus Cash" has the meaning specified in the HUD Regulatory Agreement.

c) Notwithstanding anything in the Restrictive Covenants to the contrary, except the requirements in 26 U.S.C. 42(h)(6)(E)(ii), to the extent applicable, the provisions hereof are expressly subordinate to (i) the Mortgage Loan Documents, including without limitation, the Security Instrument, and (ii) Program Obligations (the Mortgage Loan Documents and Program Obligations are collectively referred to herein as the "HUD Requirements"). Borrower covenants that it will not take or permit any action that would result in a violation of the Code, HUD Requirements or Restrictive Covenants. In the event of any conflict between the provisions of the Restrictive Covenants and the provisions of the HUD Requirements, HUD shall be and remains entitled to enforce the HUD Requirements. Notwithstanding the foregoing, nothing herein limits the Agency's ability to enforce the terms of the Restrictive Covenants, provided such terms do not conflict with statutory provisions of the National Housing Act or the regulations related thereto. The Borrower represents and warrants that to the best of Borrower's knowledge the Restrictive Covenants impose no terms or requirements that conflict with the National Housing Act and related regulations.

d) In accordance with 26 U.S.C. 42(h)(6)(E)(i)(1), in the event of foreclosure (or deed in lieu of foreclosure), the Restrictive Covenants (including without limitation, any and all land use covenants and/or restrictions contained herein) shall automatically terminate, with the exception of the requirements of 26 U.S.C. 42(h)(6)(E)(ii) above, to the extent applicable, or as otherwise approved by HUD.

e) Borrower and the Agency acknowledge that Borrower's failure to comply with the covenants provided in the Restrictive Covenants does not and shall not serve as a basis for default under the HUD Requirements, unless a default also arises under the HUD Requirements.

f) Except for any Agency's reporting requirement, in enforcing the Restrictive Covenants the Agency will not file any claim against the Project, the Mortgage Loan proceeds, any reserve or deposit required by HUD in connection with the Security Instrument or HUD Regulatory Agreement, or the rents or other income from the property other than a claim against:

- i. Available surplus cash, if the Borrower is a for-profit entity;
- ii. Available distributions of surplus cash and residual receipts authorized for release by HUD, if the Borrower is a limited distribution entity; or
- iii. Available residual receipts authorized by HUD, if the Borrower is a nonprofit entity.

g) For so long as the Mortgage Loan is outstanding, Borrower and Agency shall not further amend the Restrictive Covenants, with the exception of clerical errors or administrative correction of non-substantive matters, without HUD's prior written consent.

h) Subject to the HUD Regulatory Agreement, the Agency may require the Borrower to indemnify and hold the Agency harmless from all loss, cost, damage and expense arising from any claim or proceeding instituted against Agency relating to the subordination and covenants set forth in the Restrictive Covenants, provided, however, that Borrower's obligation to indemnify and hold the Agency harmless shall be limited to available surplus cash and/or residual receipts of the Borrower.

Declaration of Land Use Restrictive Covenants

i) Notwithstanding anything to the contrary contained herein, it is not the intent of any of the parties hereto to cause a recapture of the Low Income Housing Tax Credits or any portion thereof related to any potential conflicts between the HUD Requirements and the Restrictive Covenants. Borrower represents and warrants that to the best of Borrower's knowledge the HUD Requirements impose no requirements which may be inconsistent with full compliance with the Restrictive Covenants. The acknowledged purpose of the HUD Requirements is to articulate requirements imposed by HUD, consistent with its governing statutes, and the acknowledged purpose of the Restrictive Covenants is to articulate requirements imposed by Section 42 of the Code. In the event an apparent conflict between the HUD Requirements and the Restrictive Covenant arises, the parties and HUD will work in good faith to determine which federally imposed requirement is controlling. It is the primary responsibility of the Borrower, with advice of counsel, to determine that it will be able to comply with the HUD Requirements and its obligations under the Restrictive Covenants.

MNOI Worksheet

Landlord Worksheet
Rent Increase using Fair Return Standard:
Maintenance of Net Operating Income (MNOI)

Amortized Costs of Capital Improvements included in Operating Expenses

Introductory Information

A landlord is entitled to a Fair Return on rental property. Pursuant to the Rent Stabilization Ordinance, the City has adopted fair return regulations (posted on the website).

1. Presumption of Base Year Net Operating Income

It shall be presumed that the net operating income received by the landlord in the Base Year provided a Fair Return. This presumption may be rebutted, in which case an adjusted Base Year Net Operating Income shall be used.

2. Fair Return

A landlord has the right to obtain a net operating income equal to the Base Year (2019) net operating income adjusted by 100% of the percentage increase in the Consumer Price Index (CPI), since the Base Year. It shall be presumed this standard provides a Fair Return.

3. Base Year

(a) Calendar year 2019 is the Base Year.

(b) In the event that a prior determination of the allowable Rent is made pursuant to a Fair Return petition, if a subsequent petition is filed, the Base Year shall be the year that was considered as the “current year” in the prior petition.

4. Current Year

The “current year” shall be the calendar year preceding the petition.

5. CPI (Consumer Price Index)

The CPI for the twelve-month period ending as of March of the current year for All Urban Consumers for the Minneapolis-St. Paul-Bloomington area (All Items) provided by the U.S. Bureau of Labor Statistics.

6. Limits of Allowable Rent Increases in Any One Year

If the amount of any rent increase granted pursuant to a fair return petition exceeds 15%, the portion in excess of 15% shall be deferred to the next year or years.

In a subsequent year, deferred amounts of the allowable rent increase may be implemented, subject to the 15% ceiling on allowable increases within a year.

V. Changes to Services

18. Briefly describe the services provided to the rental units. Include all services provided and state which services are provided without additional charge:

19. If there have been any changes to the services listed above or in the responsibility for their payment since the base year, please explain:

VI. Income and Expense Explanation and Calculations

20. Calculation of Net Operating Income

Net operating income shall be calculated by subtracting operating expenses from gross rental income.

A. Gross Rental Income

Gross rental income shall include:

Scheduled rental income at one hundred percent (100%) occupancy plus all other income or consideration received or in connection with the use or occupancy of the Rental Unit.

If there is a change in the number of rental units between the Base Year & Current Year, the rental income and expenses for the same number of units shall be used in calculating the net operating income for both periods. The purpose of this provision is to provide a fair compensation between the Base Year and the Current Year.

Vacant or owner-occupied rental units at the time a petition is filed, that provided rental income in the Base Year, shall count toward the calculation of gross rental income in the Current Year. The Rent Program shall attribute rental income calculated on the basis of average rents for comparable units at the property that were most recently rented. If no comparable units on the property were rented within the last two years, initial rents for comparable units in the City may be used if there is no other basis for its calculation.

B. Gross Rental Income Shall Not Include:

- (1) Utility charges that are sub-metered, for gas, electricity or water paid directly by the tenant;
- (2) Charges for refuse disposal, sewer service or other services (which are either provided solely on a cost pass-through basis if they are regulated by state or local law)

C. Claim for Base Rent Adjustment

A claim may be made for a Base Year Rent Adjustment if the Base Year Rent and/or earlier rent amounts were disproportionately low. A Base Year Rent Adjustment will be considered if the evidence supporting a requested adjustment is provided and sufficiently compelling enough. The Rent Program may allow Landlord to submit an independent comparable rent appraisal at the expense of the Petitioner to assist in the review of a Base Year Rent Adjustment Claim.

Landlords may rebut the presumption that the Base Year net operating income provided a fair return. If a claim is made on this basis, the petitioner must complete the corresponding pages 19-22 at the end of this Attachment.

☐ **Check here if a claim for a Base Year Rent Adjustment is included in this Attachment and complete pages 19-22 of this Attachment.**

VII. Operating Expenses

Operating expenses include: Reasonable costs of operation and maintenance of the Rental Unit, including:

1. Management Expenses;
2. Utility Costs except a utility that are paid directly by the tenant(s);
3. Real Property Taxes Assessed and Paid;
4. Insurance;
5. License, Registration and other Public Fees;
6. Landlord-performed Labor;
7. Legal Expenses;
8. The Amortized Costs of Capital Improvements; and
9. Other Reasonable Operating Expenses.

Operating expenses shall not include the following:

1. Mortgage principal or interest payments or other debt service costs and costs associated with obtaining financing;
2. Any penalties, fees or interest assessed or awarded for violation of any provision of this chapter or of any other provision of law;
3. Land lease expenses;
4. Political contributions and payments to organizations or individuals which are substantially devoted to legislative lobbying purposes;
5. Depreciation;
6. Any expenses for which the Landlord has been reimbursed by any utility rebate or discount, Security Deposit, insurance settlement, judgment for damages, settlement or any other method or device;
7. Unreasonable increases in expenses since the Base Year;
8. Expenses associated with the provision of master-metered gas and electricity services;
9. Expenses which are attributable to unreasonable delays in performing necessary maintenance or repair work or the failure to complete necessary replacements. (For example if a roof replacement is unreasonably delayed, the full cost of the roof replacement would be allowed; however, if interior water damage occurred as a result of the unreasonable delay, that expense would not be allowable to support a fair return); and
10. Unreasonable Expenses.

X. Allowances for Capital Improvements

The Amortized Costs of Capital Improvements. Operating expenses include the amortized costs of capital improvements plus an interest allowance to cover the amortization of those costs. A capital improvement shall be any improvement to a unit or property which materially adds to the value of the property, appreciably prolongs its useful life or adapts it to a new use and has a useful life of more than one year and a direct cost of \$250.00 or more per unit. Allowances for capital improvements shall be subject to the following conditions:

1. The amortization period shall be in conformance with the schedule adopted by the the City, as provided on pages 9-10, unless it is determined that an alternate period is justified based on the evidence presented in an appeals hearing.
2. Capital improvement costs do not include costs incurred to bring the Rental Unit into compliance with a provision of the Saint Paul Legislative Code or state law where the original installation of the improvement was not in compliance with code requirements.
3. At the end of the amortization period, the allowable monthly rent shall be decreased by any amount of a rent increase attributable to the capital improvement.
4. Portions of fair return rent increases that are attributable to capital improvements expire at the end of the amortization period.

Example of a Capital Improvement with Amortized Expenses and an Interest Allowance:

Owner filed a Petition on May 1, 2022 for an individual rent adjustment for a roof that was completed covering a four-rental unit building. The cost of the Capital Improvement was \$20,000 benefiting all four units in the building. The amortization period for a roof is ten (10) years according to the below tables. The applicable interest allowance based on the Primary Mortgage Survey is 3.88% + 2% for this example. The calculation of the capital improvement per month is:

| Capital Improvement Cost | Interest Allowance | Period | Total Principal & Interest – Life of Improvement | Total Interest – Life of Improvement |
|--------------------------|--------------------|---------------------|--|--------------------------------------|
| \$20,000 | 5.88% | 10 yrs. 120 mos. | \$26,500.52* | \$6,500.52 |

|-----------------------|------------------------|------------|-----------------------|
| \$2,650.05 | \$220.84 | 4 | \$55.21 |

| XI. Amortization Period of Capital Improvements/Expenses | |

| In amortizing capital improvements/expenses, the following schedule shall be used to determine the amortization period of the capital improvements and expenses. Improvements add to the health & safety of the rental unit. | Years |

*Capital Improvements generally concern any change or addition to a unit or property which materially adds to the value of the property, appreciably prolongs its useful life or adapts it to a new use and has a useful life of more than one year and a direct cost of \$250 or more per unit.

The * items are likely capital improvements.
Other items may depend on the circumstances.

XII. Interest Allowance

If an amount was reported as an amortized portion of expenses on page 7, line 23 of the Base Year or current operating expense table above, complete this section.

An interest allowance may be calculated on the cost of amortized expenses. The interest allowance shall be the interest rate equivalent to the "average rate" for a thirty-year fixed rate on home mortgages plus two percent (2%). The "average rate" shall be the rate Freddie Mac last published in its weekly Primary Mortgage Market Survey (PMMS) as of the date of the initial petition.

However, no Landlord-performed labor shall be included as an operating expense unless the Landlord submits documentation showing the date, duration, and nature of the work performed. There shall be a maximum allowed under this provision of five percent (5%) of gross income unless the Landlord demonstrates that greater services were performed for the benefit of the residents.

**XV. Planned
Capital
Improvements**

To encourage necessary capital improvements and expenses, a Landlord may include anticipated future expenses for the amortized cost of capital improvements and expenses in a fair return petition. An allowance shall be made for anticipated expenses that the Landlord intends to incur during the twenty-four month period following the date of a final Rent Program determination. This procedure should not be used for anticipated expenses for ordinary maintenance and repairs. The portion of any allowable rent increase attributable to the capital improvement and expense shall not go into effect until completion has been documented to the Rent Program.

Complete this table only if you are seeking preliminary approval for improvements you plan to complete within the next twenty-four (24) months. A rent increase cannot be granted until the improvements are completed and documentation of the cost of the improvements has been reviewed and approved by the City.

Column:

(b) - Identify capital improvements and expenses you plan to complete within twenty four (24) months.

(c) - List each unit that will benefit from the capital improvement/expense.

(b) - Provide the date you expect to complete each capital improvement/expense.

(d) - State the estimated cost of each improvement/expense.

**XX. CLAIM FOR ADJUSTMENT OF BASE YEAR NET OPERATING INCOME AND ASSOCIATED RENT
ADJUSTED CLAIM**

Landlords may present evidence to rebut the presumption that the base year net operating income provided a fair return. Grounds for rebuttal of the presumption shall be based on at least one of the following findings:

- 1. Check this box ☐ if you are requesting a base rent adjustment in your maintenance of net operating fair return claim.**
- 2. Check the factors below that are applicable to your claim.**

☐A. Exceptional Expenses in the Base Year. The landlord's operating expenses in the base year were unusually high or low in comparison to other years. In such instances, adjustments may be made in calculating operating expenses in order that the base year operating expenses reflect average expenses for the property over a reasonable period of time. Check which factor(s) contributed to your claim:

- ☐ (i) Extraordinary amounts were expended for necessary maintenance and repairs
- ☐ (ii) Maintenance and repair expenditures were exceptionally low as to cause inadequate maintenance or significant deterioration in the quality of services provide
- ☐ (iii) Other expenses were unreasonably high or low notwithstanding the application of prudent business practices.

☐B. Exceptional Circumstances in the Base Year. The gross income during the base year was disproportionately low due to exceptional circumstances. In such instances, adjustments may be made in calculating base year gross rental income consistent with the purpose of analyzing base year net operating income. Check which factor(s) contributed to your claim:

- ☐ (i) The gross income during the base year was lower than it might have been because some residents were charged reduced rent.
- ☐ (ii) The gross income during the base year was significantly lower than normal because of the destruction of the premises and/or temporary relocation for construction or repairs.
- ☐ (iii) The pattern of rent increases in the years prior to the base year were less than increases in the CPI.
- ☐ (iv) Base year rents were disproportionately low in comparison to the base year rents of comparable rental units in the City of Richmond.
- ☐ (v) Other exceptional circumstances

[Petitioners submitting a claim based on this factor may be required to pay for an independent appraisal by an appraiser approved by the City].

* This MNOI calculation requires a determination of an adjustment to the Base Year Total Income prior to completing this form. The proof provided in support of the Exceptional Circumstances required on Page 19 sections 2 (A) and 2 (B) of this form will determine if an adjustment is appropriate. A proposed Base Year Total Income adjustment can be provided as a starting point.

XXIV. Other Claims

Explain any other claims in support of this application and provide/attach any evidence in support of those claims. Please use additional pages as appropriate:

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

XXV. Documentation of Current Year & Operating Expenses

1. Organize documents by operating expense category.
2. Number each page, submitted with this Attachment, with the number of the Expense Category (for instance on page 7, category of Landscape Maintenance is on line 16, any documents supporting that line item would be marked p.7, 16-1, p. 7 16-2, p. 7 16-3 and so on).
