Shari,

We were recently notified that four locations that serve as polling places in Saint Paul will no longer be available for the March 2024 Presidential Primary. As a result, we recommend that you designate the below locations to serve as the polling places per [MN Statutes 204B.175](#). If approved, we will notify voters in the manner described in law. This will include social media posts, a direct mailing to the impacted voters, and postings at the previous polling locations. Please reach out if you'd like to discuss these further.

1. **Saint Paul Precinct 3-10**, Highland Park Senior H.S. (1015 Snelling Ave S 55116) notified our office that they are no longer able to serve as a polling place. Based on our survey of the location, and in accordance with State and Federal requirements, we suggest you establish **Highland Park Elem. School (1700 W. Saunders Ave. 55116)** as the new polling location for this precinct.
2. **Saint Paul Precinct 3-11**, Jie Ming Academy (1845 Sheridan Ave W 55116) notified our office that they are no longer able to serve as a polling place. 3. **Saint Paul Precinct 4-7**, Leap High School (631 Albert St. N 55104) notified our office that they are no longer able to serve as a polling place. Based on our survey of the location, and in accordance with State and Federal requirements, we suggest you establish the **Korean Heritage House (1330 Blair Ave 55104)** as the new polling location for this precinct.
4. **Saint Paul Precinct 7-6**, East Side Learning Hub (1526 6th St E 55106) notified our office that they are no longer able to serve as a polling place. Based on our survey of the location, and in accordance with State and Federal requirements, we suggest you establish the **Eastview Rec Center (1675 5th St E 55106)** as the new polling location for this precinct.

Please note, Saint Paul Park & Recs, Saint Paul Libraries, and Saint Paul Public Works have been great partners in supporting Saint Paul's elections and helping locate new polling places.

Take care,
