I would like to participate in the hearing if possible via video conference or phone call. I currently live in California, however, my family resides in MN and I would speak on behalf of my family.

Thank you for the additional input. Yours is the only letter we have received, though there will be a new comment period forthcoming so that could change. Regardless, a hearing has been triggered because of your objection. This will allow concerned residents like yourself, the applicant, and other interested parties to discuss concerns. Let me know if you have any questions about the process or how you can participate in the hearing.

Hi,

I understand.

Thank you for getting back to me so quickly. Have you received any additional public response to this application?

My family and I do not want this, especially, if the application is for a restaurant. The result of this will only hurt the community that my family has been a part of for over 20 years without incidents. This will also bring in people, to get drunk, causing violence and making it unsafe. Just all no good. We do not want that.

Thank you,

Zoua Her

Thanks for letting us know.

To your question, I will have to wait and see based on the notice, but this last one was just for “on-sale” alcohol, meaning for a restaurant (as opposed to “off-sale,” like a liquor store). Patrons could not leave with it. The new license application will likely be “on-sale” as well.

Hi,

Thank you for the update. Yes, I would still like to object the application.

I also wanted to check, Is the license to be able to sell beer and wine for customer to purchase? Or to open a bar?

Thank you,

Zoua Her

Hi Zoua,

I wanted to let you know that the applicant withdrew their application for 3.2 Malt Liquor. I have been told that they are instead applying for a full wine and beer license, which will trigger a new public comment period. Your initial objection (attached) will be treated as an objection to that application, unless you state otherwise. A hearing will then be scheduled after that comment period ends.

Let me know if you have any questions. This can be a somewhat confusing situation.

Best,
